

JORGE M. KATZ

Jorge Katz was born in Buenos Aires, Argentina in 1940. He received his first degree in Economics at the University of Buenos Aires in 1964 and completed his D.Phil in Economics at Nuffield College, Oxford, in 1967. His doctoral dissertation "Production Functions, Foreign Investment and Growth", was published by North Holland Publishing Company in 1969. After returning to Argentina he was appointed professor of economics at the University of Bs.As, where he lectured on Industrial Organization and Economic Development in Argentina. As from 1994 to 2003 he acted as Director of the Division of Production, Productivity and Management, at ECLAC, Santiago de Chile. After retiring from the UN System in 2003 he joined the University of Chile as Professor of Economic Growth and Innovation. He has published extensively both on Technology and Innovation and on Health Economics in Latin America.
